PROFILE

I am a highly motivated and detail-oriented individual with a deep-rooted passion for Art & Design along with 5+ years of Project Management & 10+ years of Customer Service Experience looking to apply newly acquired UX/UI Design skills to help you succeed.

My passion for UX Design has grown like I have and I love creating and telling stories through my work.

I am hoping to learn multiple skills and contribute to the Web Development and Design community while advancing my professional career and becoming an inspiration for the younger female generation.
